NOTES: State-licensed cemeteries are subject to all California regulations. The state does not regulate religious, municipal, or fraternal organization-owned cemeteries, but the cemeteries do have to abide by health and safety regulations. ADDRESS is where the cemetery is physically located—office may be elsewhere. A BLANK PRICE for the cemetery means it does not have any of this type of interment available, or they do not want to publicize prices, or our phone messages were not returned. PRICES are determined by location within the cemetery, and the price posted is the lowest available. NOT INCLUDED cemeteries are those that no longer accept interments. The county's historical society or Google may have more information about them.
